At the time of closing of the sale of each Lot, a sum equal to at least two months' assessment for each Lot shall be collected and transferred to the Association for use as working capital. Further, the Owner of any Lot may, at his or her election, plant flowers in the front and rear beds established by Declarant in developing the Lot, provided that such maintenance by the Owner does not hinder the Association in performing its maintenance of the exterior of the residential unit and the remaining yard spaces. No maintenance by an Owner shall reduce the assessment payable by him or her to the Association. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association.

(As a matter of information to future Members of the Association, the Declarant desires to make it known that due to differing amounts of exposure to the elements and other factors, some Lots may require more maintenance than others and that it is in the best interest of the entire Association that all units be properly maintained and that the Association shall be required to provide such maintenance provided for herein and make a uniform charge without regard to the actual cost of maintenance of each Lot.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his or her family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject, which is not subject to any maximum. The Association is hereby granted an easement right of access to go upon any Lot for performance of repairs or maintenance, the responsibility of which is the Association's hereunder.

Section One. Rules and Regulations for the Common Areas. The Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable rules and regulations concerning the use and enjoyment of the Common Areas. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

Section Two. Antennas and Satellite Dishes. No outside radio transmission tower, receiving antenna, or satellite dish shall be erected by an Owner within the Properties without the prior written approval of the Architectural Control Committee.

Section Three. Quiet Enjoyment. No obnoxious or offensive activity shall be carried on upon the Properties, nor shall anything be done which may be or may become a nuisance or annoyance to the neighborhood.

Section Four. Dwelling Size. The total square footage of the main structure located on a Lot, exclusive of one-story open porches and garages shall not be less than 900 square feet.

Section Five. Nuisances. No activity deemed noxious or offensive by the Architectural Control Committee or the Board shall be carried on upon any Lot or within the Common Area, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood as determined by said Architectural Control Committee or Board. Examples of such offensive activities shall include, but to be limited to, the origination or emission of any loud or disturbing noise or vibrations; the maintenance of an auto repair site, the maintenance of unsightly outdoor storage of personal property (including toys, motorcycles or other motor vehicles, tricycles, bicycles, wood piles or other miscellaneous items) on porches, patios, terraces or yards; or similar unsightly activity not in

keeping with the aesthetic character and high level of appearance of the community. The Architectural Control Committee or the Board of Directors may establish reasonable rules and regulations for enforcing the provisions of this Section Five.

Section Six. Parking of Vehicles and Use of Property. No commercial vehicle, house trailer, boat, boat trailer, camper, tent, shed, or any other such vehicle, trailer, vessel or temporary structure shall be permitted to be parked or placed within the Properties except within area(s) which may be specifically designated for such purposes by the Association; provided, however, commercial vehicles, temporary buildings and other structures shall be permitted during the construction period by Declarant or as a temporary real estate sales office or construction office of Declarant. The Owners consent to and authorize the Association to tow any vehicles parked in violation of this Declaration or the rules and regulations of the Association. The Lot shall be used for residential purposes. No garage, outbuilding, or other appurtenant structure shall be used for residential purposes, either temporarily or permanently, nor shall any portion of the Property (except as expressly stated in the preceding sentence) be used except for residential purposes and for purposes incidental or necessary thereto. Section Seven. Signs and Visible Areas. With the exception of signs erected by Declarant pursuant to Article XII hereof, no sign of any kind whatsoever shall be erected upon or displayed or otherwise exposed to view on any Lot or any improvement thereon without the prior written consent of the Board of Directors of the Association. Nothing shall be caused or permitted to be hung or displayed on the outside or inside of windows (except inoffensive drapes or curtains) or placed on the outside walls of a Lot or otherwise outside of a Lot, or any part thereof, and no sign (except those of the Declarant), awning, canopy, shutter, or television or citizen's band or other radio antenna or transmitter, satellite dish or any other device or ornament shall be affixed to or placed on the exterior walls or roof or any part thereof, or in or on a patio or balcony unless authorized by the Board, and subject to the rules and regulations as the Board may adopt from time to time.

Section Eight. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot; provided, however, dogs, cats or other household pets may be kept, not to exceed a total of two (2) such animals, provided they are not kept, bred or maintained for any commercial purposes. The foregoing limitation on the number of pets shall not apply to hamsters, small birds, fish or other constantly caged animals, nor shall it apply to require the removal of any litter born to a permitted pet prior to the time that the animals in such litter are three (3) months old. If any animal may, in the sole discretion of the Board of Directors or its designated committee, make an objectionable amount of noise, endanger the health of the occupants of other Lots, or otherwise constitute a nuisance or inconvenience to the Owner of other Lots, such animal shall be removed upon the request of the Board of Directors or its designated committee. If the Owner of such animal fails or refuses to honor such request, the animal may be removed at the direction of the Board of Directors. An Owner's failure to remove fecal matter or other solid waste left in any Common Area or Lot by an animal owned by an occupant of such Owner's Lot (or their guests or invitees) shall be conclusively deemed to be a nuisance, and shall subject such Owner to such reasonable penalties as may be determined by the Association, including without limitation, upon repeated violations, the removal of such animal as described above. The cost and

expense of any removal of an animal under this Section Eight shall be the sole responsibility of the Owner of the Lot where the animal was kept (or was brought by a guest or invitee). In the event that such Owner fails to reimburse the Association for such cost and expense within twenty-one (21) days after the Association's demand for reimbursement, such cost and expense shall become part of the annual assessment against such Lot, and the amount of such cost or expense assessed against such Lot shall not be counted or considered in determining whether a maximum assessment has been made against such assessed Lot under Article V, Section Four of this Declaration.

Section Nine. Control of Pets. Every person owning or having possession, charge, care, custody or control of any dog, cat or other uncaged pet shall keep such pet exclusively inside his own residential unit or inside the confines of such Owner's Lot; provided, however, that such pet may be off the Owner's Lot if it be under the control of a competent person and restrained by a chain, leash or other means of adequate physical control. All Owners must control their pets at all times, whether or not such Owner is present, in a manner that will prevent any pet from (i) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently, (ii) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees, or (iii) otherwise constituting a nuisance or inconvenience to the Owner(s) of any other Lot; all of the foregoing as determined by the Association. Any pet identified by the Association as a potentially dangerous animal constituting an unreasonable risk or threat to any other Owner or as to other Owners generally, whether or not such risk or threat is deemed immediate or imminent, or as to the family, guests or invitees of any Owner or other Owners generally, whether due to the type, kind or species of such animal, or its size, natural proclivities or inherent nature, or as a result, whether in whole or in part, of the known tendencies, habits, disposition or history of such animal, or as a result of the manner in which such animal generally is supervised and controlled by its owner, or for any combination of any of the foregoing reasons, shall be subject to such further restrictions or control as the Association may in its absolute discretion deem appropriate, which further restrictions or control may include, without limitation, any one or more of the following additional requirements: (a) constant restraint of the animal by means of a cage, chain, leash or other means deemed appropriate and approved by the Association at all times while such animal is outside an Owner's residential unit, even while such animal is on such Owner's Lot; (b) limitations on the time periods or durations that such animal is permitted to be outside of its Owner's residential unit; (c) prohibiting the animal to be outside at any time without its Owner present; or (d) permanent removal of the animal from the Property.

Section Ten. Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for rubbish, and all trash, garbage or other waste shall be stored in sanitary containers in accordance with the rules and regulations of any health or public safety authority having jurisdiction over the property. The sanitary containers shall only be placed outside at the earliest the evening before garbage pickup day and shall be immediately returned inside an enclosed area after garbage has been picked up. All incinerators or other equipment shall be kept in a clean and sanitary condition. No trash, garbage, or other waste may be placed within the Common Area, except in containers approved by the Board of Directors.

Section Eleven. Oil and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells,

tanks, tunnels, mineral excavations or shafts be permitted upon any Lot or within the Common Area. No derrick or other structure designated for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot or within the Common Area.

Section Twelve. Storage. No household furnishings, equipment, lawn furniture or related personal property, including childrens' play objects, grills, bicycles, and lawn ornaments of the Owner shall remain outside the residential unit or garage overnight, meaning it must all be removed from the front yards, front porches and placed out of the view of the public. Reasonable arrangements of seasonal flower pots and hanging baskets are permitted.

Section Thirteen. Fines and Penalties. The Association, by the Board of Directors, may impose fines and penalties for any violation of the Declaration Bylaws, Articles of Incorporation or Rules and Regulations, pursuant to the Act. The Association's Board shall determine violations of the Declaration, Bylaws, Articles of Incorporation and Rules and Regulations. The Owners and Members consent to the Board making such determination and the assessment of a \$50.00 per day fine for violations of the Declaration, Bylaws, Articles of Incorporation, and Rules and Regulations and consent to the Association recording a lien against the Owner's or Member's Lot to collect such fines. The following procedure shall govern the imposition of fines: (i) the Association shall give written Notice of Violation of the Declaration, Bylaws, Articles of Incorporation, and Rules and Regulations adopted by the Board of Directors; (ii) if the Owner or Member does not respond within ten (10) days of receipt of the Notice of Violation, the Owner or Member shall be deemed to have agreed with such determination; (iii) if the Owner or Member objects to such Notice of Violation, it shall provide all written evidence as to why such act or omission does not constitute a violation of the Declaration, Bylaws, Articles of Incorporation or Rules and Regulations within ten (10) days of receipt of the Notice of Violation; (iv) the Board shall consider all written evidence submitted by the Owner or Member and shall make a final determination thereon within fifteen (15) days of receipt of the Owner's or Member's written material; (v) the Association, through the Board of Directors, shall respond to an Owner's or Member's objection in writing with a final determination on the issue; (vi) if the Owner or Member does not adhere to the Association's initial determination or final determination, if applicable, the Association shall be entitled to levy a fine against the Owner or Member, not exceeding \$50.00 per day for as long as the violation of Declaration, Bylaws, Articles of Incorporation or Rules and Regulations continue.

Section Fourteen. Rules and Regulations Concerning the Use of the Lot. Rules and Regulation concerning the use of the Lots may be promulgated by the Association acting by and through its Board of Directors, each of which shall be deemed to be incorporated herein by reference and made a part thereof, as amended from time to time. The Association shall deliver such rules and regulations to Owners prior to the time that they become effective. The rules and regulations promulgated from time to time shall be deemed to be reasonable and enforceable, so long as they bear any relationship to the safety, health, happiness and enjoyment of the Owners, and in furtherance of a plan to provide for the congenial occupation of the Lots, to promote and protect the cooperative aspects of ownership, the value of the Lots and/or facilitate the administration of the community as a first class, safe, healthy, happy, quiet and restful residential community. The board of directors of the Association is hereby granted specific power and authority to enforce said rules and regulations.

EASEMENTS

All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines, telephone, and electric power line and other public utilities as shall be established by the Declarant or by its predecessors in title; further, the Association shall have the power and authority to grant and establish upon, over, under, and across the Common Areas conveyed to it, such further easements as are requisite for the convenient use and enjoyment of the Properties. In addition, there is hereby reserved in the Declarant and its agents and employees an easement and right of ingress, egress, and regress across all Common Areas, now or hereafter owned by the Association, for the purpose of construction of improvements within the Properties, including the right of temporary storage of construction materials on said Common Areas.

So long as Declarant owns any property described on Exhibit "A", Declarant reserves blanket easements and the right to grant such specific easements over all the Properties, including Lots and Common Areas, as may be necessary in conjunction with the orderly development of the property described on Exhibit "A" or any adjacent property (including without limitation the planning, construction, marketing, leasing, management and maintenance of improvements) for use, enjoyment, access, construction and maintenance of public or private utilities and storm drainage (whether subsurface or surface). No such easements may be located within the area beneath any building located thereon.

All Lots shall be subject to easements for the encroachment of initial improvements constructed on adjacent Lots by the Declarant to the extent that such initial improvements actually encroach including, but not limited to, such items as overhanging eaves and walls.

Declarant reserves access easements over all Lots for construction, either for that Lot or any adjacent property and easements for the installation of public or private utilities and storm drainage (whether subsurface or surface).

There are reserved cross-easements in favor of Owners of Lots that comprise a building for access to and from each other Lot comprising the building and the Common Area adjacent to the Lots comprising the building, including, but not limited to the transportation of roll-out garbage containers; however, this does not include access to approved decks, patios or areas with approved fences.

ARTICLE XI

DECLARANT'S RIGHTS

The right is reserved by Declarant, or its agents, to place and maintain on the Properties all model homes, sales offices, advertising signs and banners and lighting in connection therewith and other promotional facilities at such locations and in such forms as shall be determined by Declarant. There is also reserved unto Declarant, its agents and prospective purchasers and tenants, the right of ingress,

gress and transient parking in and through the Properties for such sales purposes. Declarant also reserves the right to maintain on the Properties without charge (a) a general construction office for Declarant's contractors and (b) appropriate parking facilities for the employees of Declarant's agents and contractors. Notwithstanding any other provision to the contrary, no annual or special assessment shall be due for any models of the Declarant. Notwithstanding any provision herein to the contrary, the rights and easements created under this Declaration are subject to the right of Declarant to execute all documents and do all other acts and things affecting the Properties, which in the Declarant's opinion, are required to implement any right of Declarant set forth in this Declaration (including the making of any dedications or conveyances to public use) provided any such document or act is not inconsistent with the then existing property rights of any Owner.

Notwithstanding any provision to the contrary, Declarant reserves the right and power, and each Owner by acceptance of a deed to a Lot is deemed to and does give and grant to Declarant a power of attorney, which right and power is coupled with an interest and runs with the title to a Lot and is irrevocable (except by Declarant), without the consent, approval or signature of each Owner, to (i) amend the Declaration and all attachments, to the extent necessary to confirm to the requirements then governing the purchases or insurance of mortgages by The Mortgage Corporation, Federal National Mortgages Association, Governmental National Mortgages Association, Federal Home Loan Mortgage Corporation, Mortgage Guaranty Insurance Corporation, Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration, or any other similar agency or organization, (ii) induce any such agencies or entities to make, purchase, sell, insure or guarantee first mortgages covering Lot ownership, (iii) to correct typographical errors, surveyor errors in descriptions or otherwise, or obvious factual errors or omissions, the correction of which would not impair the interest of any Owner or mortgagee, (iv) bring this Declaration into compliance with Georgia law, (v) to amend any Exhibits, (vi) to exercise any development rights; or (vii) to amend this Declaration in any manner which does not materially affect an Owner's use and enjoyment of his or her Lot; and further provided that if there is an Owner other than the Declarant, the Declaration shall not be amended to increase the scope or the period of control of the Declarant. Each deed, mortgage, other evidence of obligation, or other instrument affecting a Lot and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and consent to the reservation of, the power of Declarant to vote in favor of, make, execute and record any of the foregoing amendments. The rights of Declarant under this Section shall terminate at such time as Declarant no longer holds or controls title to a Lot and the right of Declarant to add the Additional Property has expired.

DISPUTE RESOLUTIONS AND LIMITATIONS ON LITIGATION

Section One. Agreement to Avoid Costs of Litigation and to Limit Rights to Litigate Disputes. The Association, Declarant, all Persons subject to this Declaration, Owners and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties in order to avoid the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving the Properties including, without limitation, claims, grievances or disputes arising out of or relating to the

interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles (collectively "Claim"), except for those Claims authorized in Section Two, shall be resolved using the procedures set forth in Section Three in lieu of filing suit in any court or initiating proceedings before any administrative tribunal seeking redress or resolution of such Claim.

Section Two. Exempt Claims. The following Claims ("Exempt Claims") shall be exempt from the provisions of Section Three;

(a) Any suit by the Association against any Bound Party to enforce the provisions of Article V (Assessments);

(b) Any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Article VII (Architectural Control) and Article IX (Use Restrictions);

(c) Any suit between Owners (other than Declarant) seeking redress on the basis of a Claim which would constitute a cause of action under federal law or the laws of the State of Georgia in the absence of a claim based on the Declaration, By-Laws, Articles or rules of the Association, if the amount in controversy exceeds \$5,000.00;

(d) Any suit arising out of any written contract between Owners, or between the Declarant and any Builder, which would constitute a cause of action under the laws of the State of Georgia in the absence of the Declaration, By-Laws, and Articles of the Association; and

(e) Any suit in which all parties are not Bound Parties.

Any Bound Party having an Exempt Claim may submit it to the alternative dispute resolution procedures set forth in Section Three, but there shall be no obligation to do so. The submission of an Exempt Claim involving the Association to the alternative dispute resolution procedures of Section Three shall require the approval of the Association.

Section Three. Mandatory Procedures for All Other Claims. All Claims other than Exempt Claims shall be resolved using the following procedures:

(a) Notice. Any Bound Party having a claim ("Claimant") against any other Bound Party ("respondent"), other than an Exempt Claim, shall notify each respondent in writing of the Claim (the "Notice"), stating plainly and concisely:

- (1) The nature of the Claim, including date, time, location, persons involved and respondent's role in Claim;
- (2) The basis of the Claim ("Claimant") (i.e., the provisions of this Declaration, the By-Laws, the Articles or rules or other authority out of which the claim arises);
- (3) What Claimant wants Respondent to do or not to do to resolve the Claim;

PART

- (4) The Claimant wishes to resolve the Claim by mutual agreement with Respondent and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

(b) Negotiation.

- (1) Each Claimant and Respondent (the "Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good negotiation.
- (2) Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the community.

(c) Mediation.

- (1) If the Parties do not resolve the Claim through negotiation within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 additional days within which to submit the Claim to mediation under the auspices of any dispute resolution center or other such independent agency providing similar services in the same geographical area upon which the Parties may mutually agree.
- (2) If Claimant does not submit the Claim to mediation within 30 days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.
- (3) If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined reasonable or appropriate by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth when and where the Parties met, that the parties are at an impasse, and the date that mediation was terminated.
- (4) Each Party shall, within five days of the Termination of Mediation, make a written offer of settlement in an effort to resolve the Claim. The Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent. The Respondent shall make a formal written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimants original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(d) Final and Binding Arbitration. Any and all claims, disputes and controversies by and between the Declarant, Association and/or Owners or any combination thereof arising from or related to the Properties (including Lots and Common Areas), any improvements to the Properties, the sale of any part of the Properties, including, without limitation, any claim of breach of contract or warranty, negligence, negligent or intentional misrepresentation or non disclosure in the inducement, execution or performance of any contract, including this arbitration agreement, and breach of any alleged duty of good faith and fair dealings, shall be submitted to arbitration by and pursuant to the rules of Construction Arbitration Services, Inc. (hereinafter CAS) in effect at the time of the request for arbitration or by such other arbitration service as Declarant shall, in its sole discretion select, and pursuant to the rules of that arbitration service in effect at the time of the request for arbitration. This arbitration agreement shall inure to the benefit of, and be enforceable by all successors and assigns of the parties. Any party shall be entitled to recover reasonable attorneys' fees and costs incurred in enforcing this arbitration agreement, and the arbitrator shall have sole authority to award such fees and costs. The decision of the arbitrator shall be final and binding and may be entered as a judgment in any state or federal court of competent jurisdiction. This arbitration agreement shall be deemed to be a self executing arbitration agreement. Any disputes concerning interpretation or the enforceability of this arbitration agreement, including without limitation, its revocability or voidability for any cause, the scope of arbitrable issues and any defense based on waiver, estoppel or laches shall be decided by the arbitrator. The initiation of or participation by any party in any judicial proceedings concerning this arbitration agreement or any matter arbitrable hereunder shall not be deemed a waiver of the right to enforce this arbitration agreement, and notwithstanding provision of law to the contrary, shall not be asserted or accepted as a reason to delay, to refuse to participate in, or to refuse to enforce this arbitration agreement. Any party who shall commence a judicial proceeding concerning a dispute that is arbitrable, however, shall also be deemed a party requesting arbitration within the meaning of this arbitration agreement. The arbitrator's compensation shall be borne equally by the arbitrating parties. Any additional fees may be assessed in accordance with the arbitration rules and fees. Parties expressly agree that this arbitration agreement involves and concerns interstate commerce and is governed by the provisions of the Federal Arbitration Act (9 USC §1 *et seq.*) now in effect as the same may from time to time be amended, supplanted or replaced, to the exclusion of any different or inconsistent state or local law, ordinance or judicial rule; and to the extent that any local law, ordinance or judicial rule may be inconsistent with any provision of the rules of the arbitration service under which the arbitration proceeding shall be conducted, the latter rule shall govern the conduct of the proceedings. If any provision of this arbitration agreement shall be determined by arbitrator or by any court to be (i) non-enforceable or (ii) have been waived, the remaining provision shall be deemed to be severable therefrom and enforceable according to their terms.

Section Four. Allocation of Costs of Resolving Claims.

(a) Each Party shall bear its own costs incurred prior to and during the proceedings described in Section Three (a), (b) and (c), including the fees of its attorney or other representative. Each Party shall share equally all charges rendered by the mediator(s) pursuant to Section Three (c).

(b) Each Party shall bear its own costs (including the fees of its attorney or other representative) incurred after the Termination of Mediation under Section Three (c) and shall share equally in the costs of conducting the arbitration proceeding (collectively, "Post Mediation Costs"), except as otherwise provided in subsection Section Four (c).

(c) Any Award, which is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add such Claimant's Post Mediation Costs to the Award, such Costs to be borne equally by all Respondents. Any Award which is equal to or less favorable to Claimant than Respondent's Settlement Offer to that Claimant shall also award to such Respondent its Post Mediation Costs, such Costs to be borne by all such Claimants.

Section Five. Enforcement of Resolution. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section Three and any Party thereafter fails to abide by the terms of such agreement, or if any Party fails to comply with the terms of any Award following arbitration, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section Three, in such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys fees and court costs.

Section Six. Commencement of Litigation. (a) Any litigation by the Association (i) other than the "Exempt Claims" set out in Section Two or (b) any arbitration against the Declarant shall both require an affirmative vote of seventy five percent (75%) of the Members of the Association prior to the institution of such litigation. No lawsuit shall be permitted against Declarant.

ARTICLE XIII

GENERAL PROVISIONS

Section One. Enforcement. The Declarant, Association, or any Owner shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant, Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section Two. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section Three. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land perpetually. Except as provided herein, this Declaration may be amended by an instrument signed by not less than sixty seven percent (67%) of the Lot Owners. No amendment in any circumstance may alter, amend, or eliminate any right, privilege, or benefit of Declarant, and further no amendment relating to the maintenance, repair, replacement and ownership of the permanent ponds on the Properties shall be permitted without the review and approval by the governmental office having jurisdiction for watershed protection.

Section Four. Management and Contract Rights of Association. Declarant shall enter into a contract with a management company or manager for the purposes of providing all elements of the operation,

care, supervision, maintenance, and management of the Properties. Declarant contemplates that the initial manager may be the Declarant or a firm affiliated with the Declarant. The initial Board of Directors of the Association shall ratify and approve the management contract, which will provide for such manager or management company to act as a managing agent for the Association with respect to the Properties at a rate equal to the greater of: (i) Fourteen Dollars (\$14.00) per month for each Lot that has become subject to an assessment by the Association under Article V, Section Eight of this Declaration, or (ii) Four Hundred Dollars (\$400.00) per month. Any such contract or lease entered into by Declarant or by the Association while Declarant is in control thereof shall contain a provision allowing the Association to terminate such contract, without justification or penalty, upon sixty (60) days notice.

Section Five. FHA/VA Approval. As long as there is a Class B Membership, the following actions will require the prior written approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties not included in this Declaration, dedication of Common Area, and amendment of this Declaration of Covenants, Conditions, and Restrictions.

Section Six. Rights of Noteholders. Any institutional holder of a first mortgage on a Lot ("Mortgage Holder") will, upon request, be entitled to (a) inspect the books and records of the Association during normal business hours, (b) receive an annual financial statement of the Association within ninety (90) days following the end of its fiscal year, (c) receive written notice of all meetings of the Association and the right to designate a representation to attend all such meetings, (d) receive written notice of any condemnation or casualty loss that affects either a material portion of the project or the unit securing its mortgage, (e) receive written notice of any sixty-day delinquency in the payment of assessments or charges owed by the Owner of any unit on which it holds the mortgage, (f) receive written notice of a lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Owners' Association, (g) receive written notice of any proposed action that requires the consent of a specified percentage of mortgage holders, and (h) be furnished with a copy of the master insurance policy.

Section Seven. Notices. Any notice required or desired to be given under the provisions of this Declaration shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, directed to the last known Mortgage Holder or other party entitled to notice, at the last known address for each such party, all as shown on the books and records of the Association at the time such notice is given.

Section Eight. Exculpation. It is expressly understood and agreed that nothing contained in this Declaration shall be interpreted or construed as creating any liability whatsoever, directly or indirectly, against Declarant or any of its officers, members, managers, employees, agents, attorneys, heirs, executors, legal representatives, successors or assigns (collectively the Declarant Related Parties) for monetary relief or damages. In particular, and without limiting the generality of the foregoing, if any proceeding shall be brought to enforce the provisions of this Declaration, the party instituting such proceeding shall not be entitled to take any action to procure any money judgment against the Declarant or any related parties.

Section Nine. Conflict with Georgia law: Severability. Should any of the terms, conditions, provisions, paragraphs, or clauses of this Declaration conflict with any provisions of Georgia law, the provisions of Georgia law shall control unless Georgia law permits the Declaration to override Georgia law, in which event the Declaration shall control. The invalidity of any covenant, restriction, condition, limitation, provision, paragraph or clause of this Declaration, or any part of the same, or the application thereof to any person or circumstance, shall not impair or affect in any manner the validity, enforceability or affect of the rest of this Declaration, or the application of any such covenant, restriction, condition, limitation, provision, paragraph or clause to any other person or circumstance.

Section Ten. Disclaimer of All Warranties. Declarant and Developer hereby disclaim and exclude any and all warranties, expressed or implied (including, without limitation, any implied warranty of habitability, merchantability, quality or fitness for particular purpose), with respect to the Properties, Common Area and the Lots. The Association and any Lot Owner knowingly agree to waive any and all rights that they may have pursuant to the implied warranty of habitability. The Association and Lot Owners acknowledge and agree that the sole warranties that apply to the Properties, Common Area and the Lots are solely contained within the purchase agreement for the acquisition of the Lots.

Section Eleven. Disclaimer of Other Entities. Owners and the Association acknowledge and understand that their relationship is with the Declarant pursuant to the written terms of this Declaration, and no other entity notwithstanding anything to the contrary in advertising, promotional or other materials. Owners and the Association acknowledge that they have no claim against any entity including affiliates, subsidiaries, parents or otherwise under common control of Declarant, and Owners and the Association waive and release any such claims, if any.

Section Twelve. Assignments by Declarant. All rights which are specified by this Declaration to be the rights of the Declarant are assignable, mortgageable, pledgeable or transferable. Any successor to, or assignee of, the rights of the Declarant hereunder (whether as the result of voluntary assignment, foreclosure, assignment in lieu of foreclosure or otherwise) shall hold or be entitled to exercise the rights of the Declarant hereunder as fully as if named as such party herein. No party exercising rights as Declarant hereunder shall have or incur any liabilities for the acts of any other party which previously exercised or subsequently shall exercise such rights.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has caused this instrument to be executed in its corporate name and its corporate seal to be hereunto affixed, by authority of its Board of Directors, the day and year first above written.
